

Figure 6.2

VIDEO GUIDE FOR CITING TEXTUAL EVIDENCE DURING A DISCUSSION

Indicator	Evidence in Video
Makes reference to a title, author, or both	
Paraphrases the author by telling about ideas in own words	
Uses direct quotes relevant to topic	
Selects details from text and makes inferences based on evidence in text and prior knowledge	
Presents claims and supporting evidence with pertinent descriptions, facts, and details to emphasize main idea or topic	
Locates and cites evidence when responding to the challenges others pose, emphasizing salient points in a focused, coherent manner	
Challenges others' ideas based on textual evidence or inferences drawn from text
